

ANNOUNCEMENT ON THE 29TH CONFERENCE OF GAVAR STATE UNIVERSITY

We invite lecturers and researchers from universities in the Republic of Armenia and abroad to participate in the 29th annual conference of Gavar State University.

The conference will be held **on May 2 and 3, 2026** (launching at 11:00), in a combined face-to-face and online format.

Reports must be submitted electronically **by April 15, 2026**, maintaining the content and technical requirements.

The working languages of the conference are Armenian, Russian, and English.

The conference will be held in the following areas of natural sciences and humanities: physical-mathematical, chemical, biological, technical-ecological, agricultural, historical, economic, philosophical, philological, legal, pedagogical, psychological, sociological, political sciences, geography, geology and geoecology.

To participate, you must complete an electronic application **by April 15, 2026**, using the following link:

<http://gsu.am/hy/electroniapplication/>

and sending reports to the following GSU email addresses:

info@gsu.am, infogsu@mail.ru

Accepted reports will be presented during the conference and, if positively reviewed, will be published as articles in the GSU scientific journal.

Below are the requirements for reports (articles):

1. The scientific report should be between 5 and 10 pages, in Armenian, Russian or English, computer-typed, on B 5 size printing paper, in the font "**GHEA Grapalat**", with 1.12 line spacing, 18 mm margins on all sides of the paper, pagination at the bottom of the page (footer), orientation: center, margins: 1 cm.

At the top, indicate **the title** in 10.5 pt font size (**capital letters, Bold**), one line below the title in the right corner in 10.5 pt font size, indicate the article's Universal Decimal Classification code (UDC, УДК, see the link <http://www.udcsummary.info/php/index.php?tag=1&lang=hy>), then the author(s)'s **last name, first name (bold)**, academic degree and title (start with capital letters, on a new line), position held (start with a new line), one line below write the author's (co-authors') e-mail address, one line below should be the **abstract (аннотация)**, which should briefly present the subject of the study, methods, the author's (authors') main conclusions, and proposals containing scientific novelty, leaving one line blank, in 10.5 pt font size, italic and bold.

2. Leaving one line blank, you need to write "**Keywords**" (**bold**) and indicate 5 to 7 keywords.

3. Write the work, leaving two lines, in 10.5 pt font size. Citations should be made in computerized reference form, numbered sequentially for the report (from 1 to the last reference). The original text is followed by a list of **"References"**.
4. On the last page of the manuscript, the author writes: **"The material in the manuscript has not been previously published,"** followed by the author's signature (signatures of all co-authors) and the day, month, and year of submission to the editorial board.
5. The submitted reports should have a clear logical structure:
 - a) **an introduction**, which justifies the relevance of the subject of study, presents the main goal of the research, theoretical and practical foundations, and the proposed hypothesis,
 - b) **the main part**, which analyzes previous scientific publications on the topic of the research, modern approaches, the study conducted by the author(s), and their views,
 - c) **a concluding part**, which contains the findings of the research: conclusions, recommendations of theoretical and practical significance, the solution of the problem containing scientific novelty, the confirmed hypothesis, predictions, and suggestions.
6. At the end of the report, it is necessary to write in 10.5 pt font size in the two languages mentioned above, different from the language of the article: the title of the article, the last name, the first name, academic degree and title of the author (authors), the position held, the e-mail address of the author (authors), the summary (150-250 words), and **the keywords**.
7. Latin and Greek letters, symbols, as well as formulas must be typed using the "Microsoft Equation Editor 3.0" program, and explanations of images and tables must be presented in the form of a figure, with a font size of 10.5 pt.
8. It is necessary to present an opinion on the submitted scientific report or a recommendation from the relevant department, scientific supervisor, or scientific organization.

Reports that do not meet the requirements will not be accepted.

Authors who are not employees of Gavar State University pay 2,000 (two thousand) AMD per page for printing the report, and if necessary, another 3,000 (three thousand) AMD for receiving a printed copy of the GSU "Collection of Scientific Articles", by transferring from any bank to the account number 16021100146800 of "VTB Armenia" Bank CJSC, Kamo branch. The transfer should be made only after the editorial board of the GSU scientific journal approves the acceptance of the article, within five days.
